For 5th & 6th Grade Parents Only

St. Paul's recognizes that with the provision of device to students for use off-campus, there is a need to protect the investment of the district and the interests of students and parents. Parents may choose to pay a non-refundable **\$60 Device Protection Fee** as described in the St. Paul's Student Technology Policy, and agree to the **schedule of repair/replacement costs** defined there. Parents who choose not to pay this fee will be responsible for the **actual cost to repair** any damaged incurred, as determined by St. Paul's.

While we encourage students in 5th and 6th grades to take assigned devices home each day, parents may designate that their student's device remain at school instead. Students will still be responsible for completing class work requiring the device as directed by the teacher.
