

Why St. Paul's is Unique

Do you know how many Lutheran ELCA schools are in Iowa? One, and that St. Paul's Lutheran Church and School. I believe it's the best school in Iowa because we can have Worship every Thursday. We get to go on trips. Lastly, we get to eat in the classroom.

In school we pray at least 4 times a day besides on Thursday when we have worship. Here we can talk about God freely. We pray at the morning and end of our day. In the morning the whole school prays together then we say our fruit values and go inside. At the end of our day our teacher reads us a devotion.

Every year the 6th graders raise money to go to Washington D.C. at the end of the year. They research a monument then go see it when they go. People can donate and they do fundraisers to get money for the trip. Some fundraisers they do are: working at Pizza Ranch, helping at special dinner, and selling Christmas presents.

We also get to bring our own lunches. During lunch our teacher puts on a movie or reads us a book. If you don't like the book the teacher is reading you

can read your own. On Wednesday we get a special lunch like: Pizza Ranch
Pizza, McDonalds, Jimmy Johns, nachos, breakfast or a hot dog with mac &
cheese. Along with that we get to eat in our classroom.

In conclusion, I think St. Paul's is a great school with nice teachers. It
also has a great church and lots of potential. The school is 149 years old. They
produce very smart kids. Based on these facts I believe St. Paul's is the best
school in Iowa.
